MADE IN CHINA

ND **Bruksanvisning**

- Ta ut munnbindet med den hvite siden vendt inn mot ansiktet og den blå siden ut.
- Plasser munnbindet over munn og nese, med nesebøylen nær og press nesebøylen forsiktig på den passer over neseryggen.
- Festsnorene rundt ørene og strem om nødvendig ved å knyte strikken strammere.
- Tilpass munnbindet ved å dra nedre del av munnbindet under haken slik det dekker munn, nese og hake.

EN **Instructions for use**

- Pull out the face mask with the white side facing the face and the blue side facing outwards.
- Place the face mask over the mouth and nose, with the nose bar up, and press the nose bar gently so that it fits over the bridge of the nose.
- Place the earloops around the ears and tighten if necessary by tying the earloops tighter.
- Adjust the face mask by pulling the lower part of the face mask under the chin so that it covers the mouth, nose and chin.

Disposable Face Mask

Vardein™

Vardein™

Disposable Face Mask

3 layes with earloops
Hypoallergenic
EN 14633:2019 Type IIR

- Bacterial Filtration Efficiency (BFE) > 99%
- Hypoallergenic
- Without latex and glass fibers
- Perfect fit with adaptable nose bar
- Good breathability
