Bruksanvisning

- Ta ut munnbindet med den hvite siden vendt inn mot ansiktet og den blå siden ut.
- Plasser munnbindet over munn og nese, med nesebøylen opp, og press nesebøylen forsiktig så den passer over neseryggen.
- Knyt båndene bak hodet og nakken.
- Tilpass munnbindet ved å dra nedre del av munnbindet under haken så det dekker munn, nese og hake.

Instructions for use

- Pull out the face mask with the white side facing the face and the blue side facing outwards.
- Place the face mask over the mouth and nose, with the nose bar up, and press the nose bar gently so that it fits over the bridge of the nose.
- Tie the bands behind your head and neck.
- Adjust the face mask by pulling the lower part of the face mask under the chin so that it covers the mouth, nose and chin.
